

Community Crisis Management (CCM)

Are you a community based worker?

Would you know what to do in a crisis situation?

Upcoming course dates:

- Thursday 9th March 2017
- Thursday 6th July 2017
- Thursday 2nd November 2017

The Community Crisis Management Course has been developed for all Health Care Professionals working within a community setting. The course runs over a full day and is free to all NHS employees working for the NHS throughout the Yorkshire and Humber region.

Using high fidelity adult manikins and simulation based-education the course aims to develop confidence and competence in recognising and assessing potentially sick patients, developing crisis management skills, communication and teamwork skills within the multidisciplinary team.
