Upcoming course dates:

- Thursday 20<sup>th</sup> September 2018  
**8 Places Available**
- Tuesday 11<sup>th</sup> December 2018  
**12 Places Available**

The Human Factors for HCAs (HCA CARMA) course has been developed for all Health Care Assistants involved in direct patient care. The course runs over a full day and is free to all NHS employees working for NHS throughout the Yorkshire and Humber region.

Using high fidelity adult manikins and simulation based-education the course aims to develop confidence and competence in recognising and assessing potentially sick patients, develop crisis management skills, communication and teamwork skills within the multidisciplinary team.
