

# Tracheostomy Emergency Respiratory and Resuscitation Issues (TERRI)

Do you need more hands on experience when caring for adult patients with tracheostomies in situ?

The Montagu Clinical Simulation Centre (MCSC) has developed a new and exciting course for Health Care Professionals.

The one-day TERRI course consists of workstations and simulated scenarios that will help to increase confidence and competence when troubleshooting problems that may occur with patients on the ward and in the community.

To book a place on this **award winning** course please contact 01709 649106 or email [dbth.clinical.simulation@nhs.net](mailto:dbth.clinical.simulation@nhs.net)

Course dates:

Date	Course	Start	Finish	Places
07/12/2021	TERRI	09:00	16:30	2 places
14/01/2022	TERRI	09:00	16:30	6 places
27/01/2022	TERRI	09:00	16:30	6 places
03/02/2022	TERRI	09:00	16:30	6 places
11/03/2022	TERRI	09:00	16:30	6 places
31/03/2022	TERRI	09:00	16:30	6 places
12/05/2022	TERRI	09:00	16:30	6 places
17/06/2022	TERRI	09:00	16:30	6 places
